### **Collective/Curatorial independent projects**

**2022** → Coletivo Mani is a collective created to discuss issues related to the Amazon region, where the participants of the collective come from. We create a performance around a dinner with culinary as well as musical influences from the Amazon as a way to create space for dialogue and exchange in non-hierarchical way. Our first dinner was at Changing Room. Berlin, Germany.

**2021** → *Sestiere di Venezia* - Concept and Art direction. Curated in collaboration with Jana Doell. After an open call 47 art pieces were selected to be exhibited over cloth lines at the city of Venice during the month of September. Italy.
